

# ENERGY SAVINGS PROGRAM

We're very excited to offer a pathway to a more energy efficient and climate resilient home. COMMUNITY PARTNER is currently offering low-cost and free installations of energy-saving upgrades in your home! Brought to you by COMMUNITY PARTNER and Energy Trust of Oregon.

1

## SIGN UP

Contact **COMMUNITY PARTNER** to schedule a Home Energy Assessment.

## RECEIVE RECOMMENDATIONS

2

**COMMUNITY PARTNER** will visit your home for a 30-60 minute walkthrough to learn how effectively your home is using energy and to identify areas for energy efficiency and comfort improvements.

3

## SELECT YOUR PROJECTS

Review the recommendations with **COMMUNITY PARTNER** and select your desired home improvement projects.

## IDENTIFY CONTRACTORS & RECEIVE BIDS

4

Obtain a list of participating contractors from **COMMUNITY PARTNER**. Schedule appointments with contractors to visit your home and create a proposed project bid.

5

## INSTALL ENERGY UPGRADES

**COMMUNITY PARTNER** will support you as the contractor(s) install energy upgrades.

## PROJECT PAYMENT (IF APPLICABLE)

6

**COMMUNITY PARTNER** will coordinate with the contractor(s) to apply Energy Trust discounts to reduce the project costs.
