Terms and Conditions

APPLICATION: Incentives are available for training attended between January 1, 2019 and December 31, 2019. Funds for the Incentives are limited and available on a first-come first-served basis. Application must be received by the Program within 90 days of training in order to be eligible for incentives.

ELIGIBILITY: Incentives for educational training are available to Trade Allies interested in conducting services for homes in the Portland General Electric, Pacific Power, NW Natural, Cascade Natural Gas or Avista service territories. Trade Allies must complete one EPS New Construction project in the same calendar year for which the training incentive was provided.

VERIFICATION: Energy Trust or its agent will, in Energy Trust's sole discretion, verify that applicant successfully completed the training and passed the competency test, if applicable.

PAYMENT: The Incentives will be promptly paid on (i) submission and approval of the completed Trade Ally Training Incentive Application, (ii) itemized receipt for training and (iii) W-9. Payments will be made to the Applicant and must match name on W-9, if W-9 is required. Please allow up to 60 days for receipt of payment after verification and inspection.

INCENTIVE AMOUNT: Incentive funds paid will never exceed the actual cost of training completed by the Trade Ally. The training incentive is limited to the cost of training per individual with a maximum incentive not to exceed \$250, whichever is less. No more than \$1,200 in incentives will be given to one organization.

INFORMATION RELEASE: The Applicant understands and agrees that Energy Trust and/or its representatives may include a description of this incentive, including the Applicant's name, the Applicant's company name, services provided, project cost and energy savings, in reports, studies, and other documentation required by Energy Trust, its Board of Directors, the Oregon Legislature, the Oregon Public Utility Commission, Oregon Department of Energy and the Oregon Legislature. Energy Trust will treat all other information gathered in as confidential and report it only in the aggregate.

TAX LIABILITY: Energy Trust is not responsible for any tax liability imposed on the Applicant as a result of payment of the incentives. Energy Trust is not providing tax advice, and any communication by Energy Trust is not intended or written to be used, and cannot be used, for the purpose of avoiding penalties under the Internal Revenue Code.

NO ENDORSEMENT: Energy Trust does not endorse any particular manufacturer, contractor, equipment or system. The fact that the names of particular manufacturers, contractors, equipment or systems may appear on this application does not constitute an endorsement. Manufacturers, contractors, equipment, or systems not mentioned are not implied to be unsuitable or defective in any way.

DISCLAIMER/NO LIABILITY: Applicant understands that, while Energy Trust is providing Applicant with funding for the incentives payment, Energy Trust is not supervising Applicant or Applicant's training nor is Energy Trust responsible in any way for proper training or performance by Applicant. Energy Trust is simply providing funding to assist Applicant in education and training. Energy Trust does not guarantee any particular energy savings results by its approval of the Application or by any other of its actions.

SURVIVAL OF TERMS AND CONDITIONS: Unless stated otherwise in this document, regardless of whether or not this application is approved, these terms and conditions shall survive the payments of any incentive payments provided hereunder.
