

Illinois Valley Community Development Organization

Cultivating the *Power of Partnerships* in the Illinois Valley

Who We Are

IVCanDO is a 501(c)(3) non-profit committed to collaborative programs and inclusive partnerships. We champion sustainable development for vibrant economic, social, and cultural conditions. For over 25 years, we've danced with the heartbeat of the Valley.

We believe in the power of partnerships and work together to realize community inspired solutions. Our work supports projects, programs, planning efforts and fiscal sponsorships in our community. Program areas include:

Arts & Culture

Business & Economic Development

Community Capacity Building

Infrastructure

Health & Education

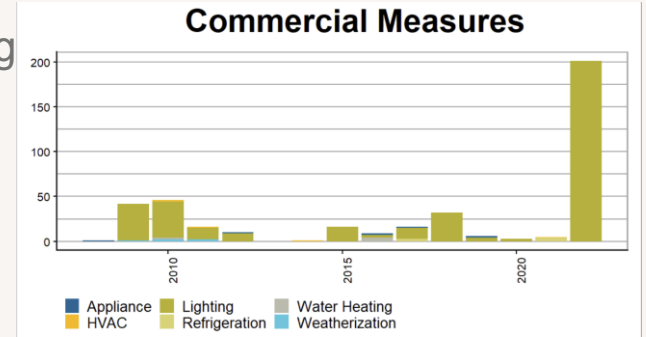

Forests & Watersheds

Parks & Recreation

Partnership with Energy Trust

In 2022, we partnered with Energy Trust to assist in providing small, independently owned businesses in the Illinois Valley upgrades to high efficiency, LED lighting. Through this partnership, 44 businesses had installations completed, a higher number in our region than the previous 19 years combined.

In June of 2023, we joined Energy Trust's Community Partner program to help residents of the Illinois Valley save on their energy bill by offering no cost home energy assessments and assist in pursuing upgrades with qualifying incentives. In four months we have performed 27 home energy assessments.

How Can Contractors Get Involved?

We are always looking for contractors who are able to service the Illinois Valley!

In addition to contractors for all Energy Trust related projects, this year alone we have been on the lookout for roofers, electricians, tree climbers, asphalt pourers and more.
