

# ENERGY-SAVING OPPORTUNITIES FOR INCOME-QUALIFIED HOMEOWNERS

Investing in an energy-efficiency upgrade is now easier than ever for income-qualified homeowners. Resources and incentives from Community Action Partnership of Oregon, Energy Trust of Oregon and Enhabit are available to help you reduce energy bills and increase your family's day-to-day comfort.

---

## Community Action Partnership of Oregon

Community Action Partnership of Oregon is a nonprofit association committed to helping income-qualified families reduce energy costs and eliminate safety problems that could contribute to poor health.

## Energy Trust of Oregon

Energy Trust is an independent nonprofit organization dedicated to helping utility customers benefit from saving energy and generating renewable power. Services and cash incentives are available for residential customers of Portland General Electric, Pacific Power, NW Natural, Cascade Natural Gas and Avista.

## Enhabit

Enhabit is a Northwest nonprofit that works with homeowners to create efficient, healthy and safe home environments. From small upgrades to complete home retrofits, Enhabit is a trusted resource for financing, finding a contractor, utility incentives and quality assurance.

# ENERGY UPGRADE RESOURCES FROM TRUSTED LOCAL NONPROFITS
