

Solar Within Reach

Solar | Income Verification | Form 210_{SWR}

To be completed by customer

This form must be completed by the customer. The customer's solar trade ally contractor must then submit it to Energy Trust of Oregon with a Solar incentive application and, if applicable, a Battery Storage incentive application prior to beginning work on the project.

I, _____,
am the homeowner and occupant of the qualifying residence located at _____ (home address).

The home at this address is served by Portland General Electric or Pacific Power.

I am aware of the following two options for Energy Trust's solar and battery storage incentives:

- a) Income-qualified: *Energy Trust's Solar Within Reach incentive track provides increased solar and increased battery storage incentives for customers that meet the income guidelines described in this Form 210SWR.*
- b) All Income: *Energy Trust offers standard solar incentives and standard battery storage incentives to all eligible Energy Trust customers, with no income qualification required.*

Note: Income includes all gross wages, tips, rental income, public assistance, social security or pensions, income from self-employment, alimony, interest, or any other sources of income defined by the IRS income tax return for the previous tax year.

By signing below, I certify that I qualify for Energy Trust's Solar Within Reach incentives because my total household income does not exceed the maximum income for my household size, as indicated in the "2023 Moderate Income Chart."

2023 Moderate Income Chart	
Household Size	Maximum
1 person	\$62,530
2	\$81,770
3	\$101,010
4	\$120,252
5	\$139,492
6	\$158,732
7	\$162,341
8 or more	\$165,948

I also acknowledge that participating in this program will require me to pay a share of the project cost.

I certify that the information I am providing is true and accurate. I further understand that providing false or misleading information about my household income constitutes an act of fraud and may render me ineligible for Energy Trust's Solar Within Reach incentives. If Energy Trust finds that I have provided false or misleading information about my income or other Solar Within Reach eligibility criteria, I may be required to repay any incentives provided. Energy Trust reserves the right to request additional proof of income to verify income qualification.

Signature (Must be an authorized representative of the Homeowner)

My household income is below the maximum income shown in the 2023 Moderate Income Chart for my household size.
