

# Solar Incentive Status Report

May 12, 2025

**About This Report** - Energy Trust allocates funding for solar incentives in "steps." When funding in a step is fully reserved, the funding in the next step becomes available at a rate that could be higher or lower. This page shows all currently available incentive offers.

A **Market Summary Report** is available at <https://insider.energytrust.org/programs/solar/incentives/>
